CONSTRUCTION

Lubrication Solutions

PROVEN QUALITY. LEADING TECHNOLOGY.

AUTOMATED, DEPENDABLE SYSTEMS FOR HEAVY EQUIPMENT MAINTENANCE AND REPAIR

DECREASE DOWNTIME AND KEEP HEAVY EQUIPMENT MOVING

There's nothing worse than running off schedule due to equipment downtime on a construction job. With Graco construction solutions, your equipment's bearings will always be greased properly and your heavy equipment service center will be optimized for efficiency.

MITIGATE THE CONSTRUCTION LABOR SHORTAGE

Skilled mechanics and technicians for heavy equipment service are increasingly hard to find. Get peace of mind and keep workers happy with solutions that eliminate manual, time-consuming tasks and lead to equipment longevity.

OVERCOME EVERYDAY CHALLENGES AND RELY ON A TRUSTED BRAND

With constant change, supply chain issues and rising costs, it helps to have one trusted source and a partner by your side. Graco takes great pride in offering premium products for your construction site, best-in-class warranties and unmatched customer care.

NOT ALL AUTOMATIC LUBRICATION SYSTEMS ARE BUILT THE SAME

Construction professionals trust Graco solutions to elevate everyday performance

- Multiple Reservoir Sizes
- UV Impact Resistant Reservoir
- Digital Controller
- Data Management System (DMS)
- Auto-fill Shut Off
- IP69K Rated

DESIGNED FOR PRODUCTIVITY. BUILT WITH GRACO.

Graco offers an expansive range of robust, reliable and proven solutions to simplify everyday fluid management, including lubricating the yellow iron machines critical to your operation. Choose Graco equipment to keep your crews safe and your machines running while capturing more data for more informed decisions – so you can profit from non-stop productivity.

SERVICE CENTERS

- Industry-leading pumps, hose reels, dispense meters and fluid monitoring tools
- Swap spent fluids quickly and safely
- Expedite the removal of unwanted oils, water and other waste material

FLUID CONTROL, FLUID MANAGEMENT & TANK LEVEL MONITORING

 Program fluid dispense volumes, monitor activity, and simplify inventory tasks to make more informed decisions about your fleet

Track tank levels, capture and apply data,

and allocate inventory quickly, accurately

and confidently

ON-ROAD VEHICLE AUTOMATIC LUBRICATION

 Road-proven automatic lubrication systems deliver on expectations for reliable, automatic grease dispensing, even in tough environments demanded by mobile applications

ATNORK WITH GRACE

• Simplify maintenance for technicians and operators

LUBE & SERVICE TRUCKS

- Fluid dispense equipment for quick and safe mobile service
- High flow pumps and meters allow for more efficient fluid changes and grease reservoir refills
- Equipment designed for the harshest job sites

OFF-ROAD EQUIPMENT AUTOMATIC LUBRICATION

- Improve productivity and enhance uptime with solutions for lubricating heavy equipment throughout the job site
- Capture critical real-time data that you can leverage for faster, smarter decision-making
- Hydraulic, pneumatic and electric solutions so no matter what you drive, Graco's got you covered
- Drop-in upgrade for stock systems, no additional configuration needed

ALWAYS INNOVATING. ALWAYS RESPONSIVE.

For nearly a century, Graco has designed, delivered and supported solutions that you use every day. We help simplify everyday tasks and improve productivity for forward-thinking workers and businesses around the world.

Whether you're servicing vehicles, operating heavy equipment, performing maintenance repairs, working on an oil rig or running manufacturing lines, we're your one trusted source for proven lubrication equipment and bulk fluid management solutions designed to maximize your profitability. Because we understand just one hour of downtime can equal tens of thousands in lost revenue.

INNOVATIVE

We listen to our customers and adapt to their needs. Our investment in R&D is unparalleled, empowering Graco to create more reliable, connected, and easier-to-use automatic lubrication equipment, bulk fluid management and fluid transfer systems.

QUALITY

From our best-in-class manufacturing processes, rigorous product testing and industry's best warranty, you always know that Graco solutions are going to get the job done – and stand the test of time. That's why you can find Graco products over 50 years old still in operation.

CONSULTATIVE

Being a consultative partner takes work – and we're always up for it. Graco and our distributors want to work with you to identify, design and install the best solutions for your needs to ensure you receive the maximum ROI on your investments.
