

VEGEA.

A COMPLETE GUIDE TO START YOUR GARDENING

www.vegega.com

ABOUT US

To create a natural, healthy and eco-friendly garden is our brand concept. One of VEGEGA top priorities is to serve its customers and to provide Zn-Al-Mg Stainless Steel modular raised garden beds to our customers, help you build an appealing garden in an easy way as well as give you and your family a happy gardening experience.

Zn-Al-Mg Stainless Steel material for raised garden beds has the following significant advantages:

- **Hard metal panels will not be damaged by pests and mice.**
- **Eco-friendly material**
- **Easy to assemble**
- **High tear resistance**
- **Long-lasting and durable, up to 20+ years**
- **High/low-temperature resistant from -148°F to 200°F**
- **Less bending down**
- **Safe and no soil contamination**
- **Grow much more in much less space**
