IMAGINE

We imagine
the questions,
the solutions,
the possibilities,
to better the best,
to evolve,
to fly high,
in the quest of conquering
the limitless sky.

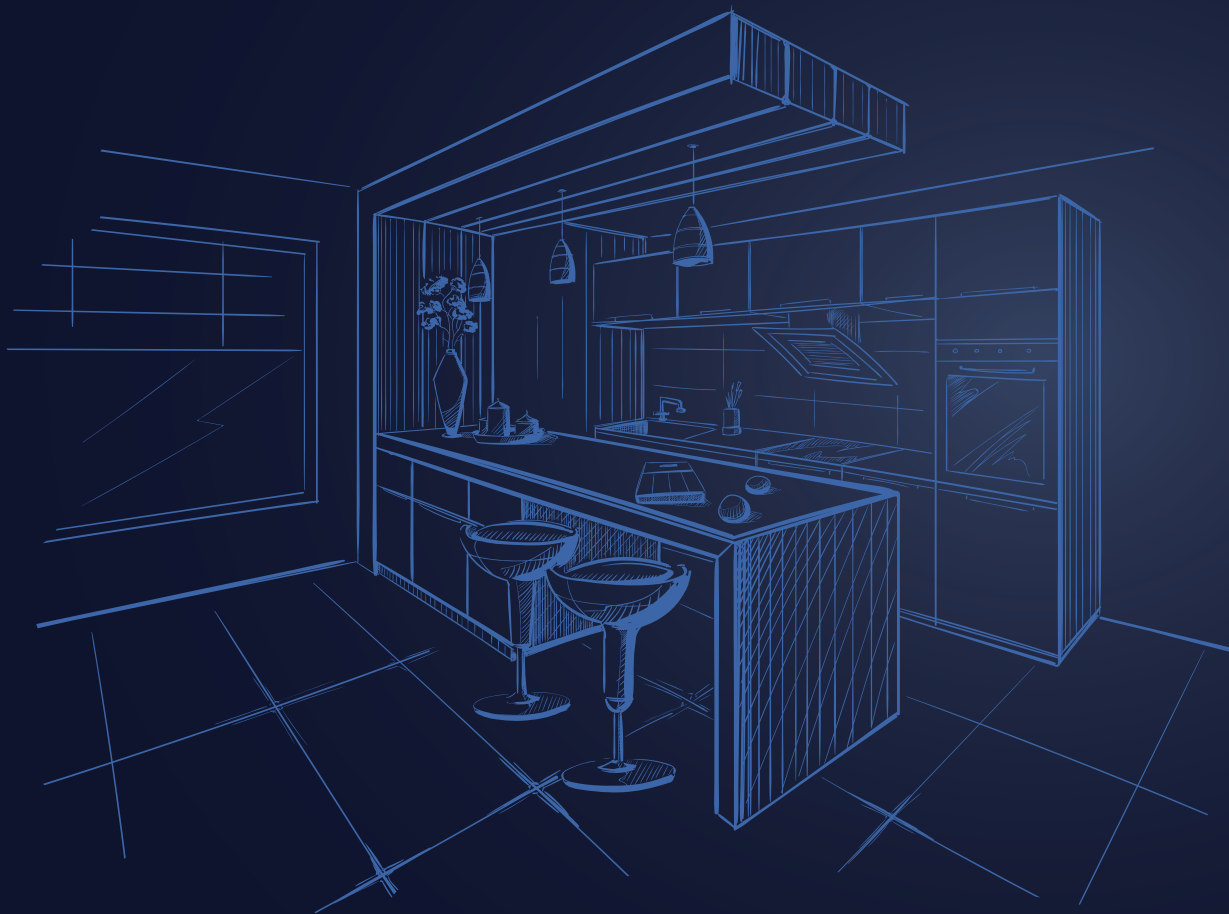

IMPLEMENT

What's imagination
without implementation?
Precisely the reason why
we put imagination into action,
to turn ideas into reality,
to create a distinct identity,
and to craft a lasting entity.

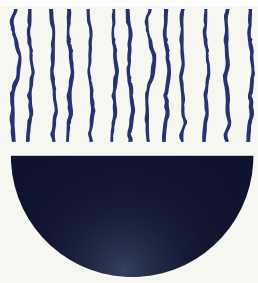

THE STORY OF INDIA'S LEADING SURFACE DECOR BRAND

In 1991, **Asiatic Imperia Pvt. Ltd.** was founded, initially focusing on timber trading. By the year 2000, the company had diversified its operations to include wood-based panel products. Expanding its horizons further, the Group ventured into the retail sector in 2006, quickly earning a reputation as a pioneering force in emerging trends.

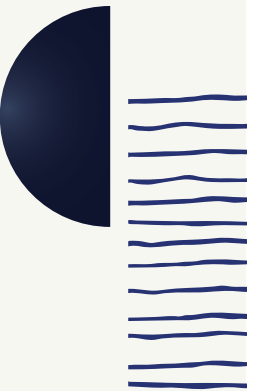

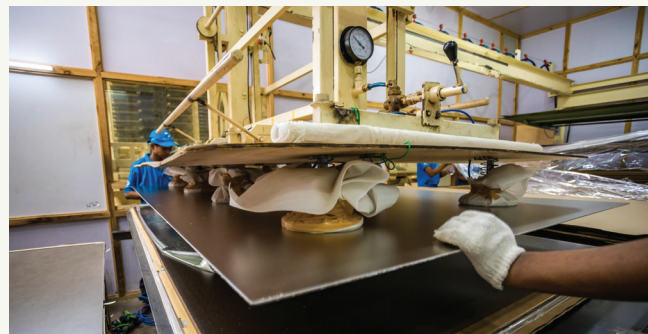

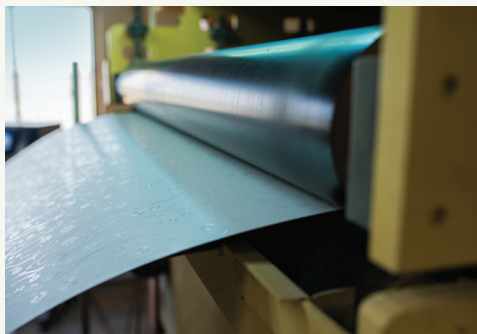

In 2017, a significant milestone was reached as the Group established its subsidiary, **Pegasus Panels Pvt. Ltd.**, giving rise to the birth of the brand **Dorby**. This move marked a pivotal moment in the company's evolution. With its headquarters situated in Mumbai, India, and its manufacturing plant strategically located in Gandhidham, Gujarat, the company has solidified its presence in key locations.

With **over 30 years of experience** in architecture and interior design products, the company has influenced the market to look at the imaginative possibilities of surface designs. **Dorby** has grown to display innovative and futuristic collections that have positioned it as one of the most dynamic brands in the industry.

THE INFRASTRUCTURE

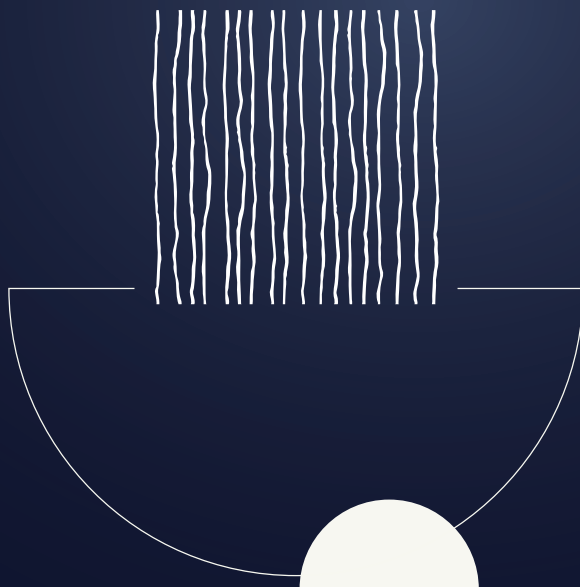

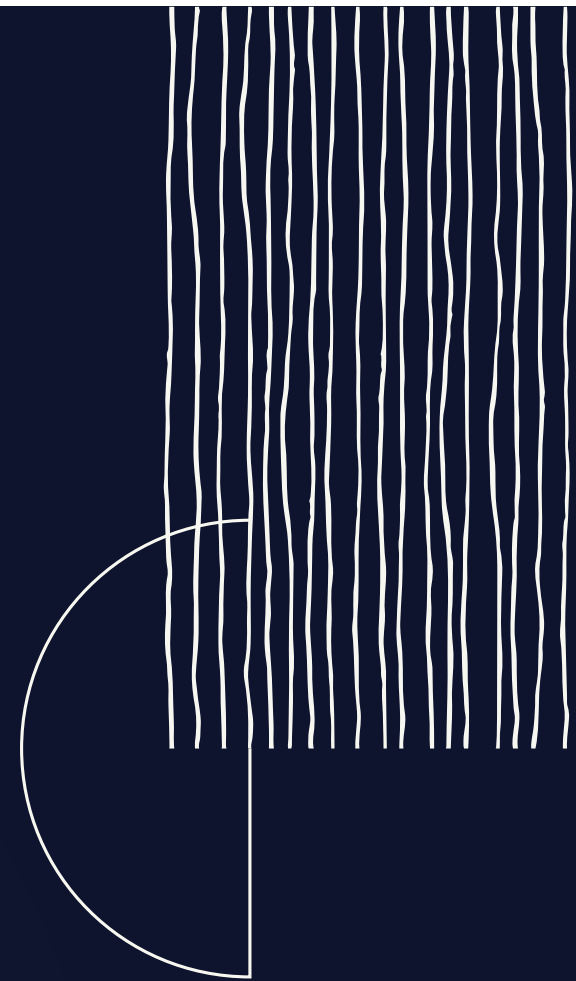

Designed with a focus on quality, efficiency and sustainability, our infrastructure has enabled us to maintain our position as an industry leader. Our **sprawling 10-acre manufacturing facility** in Gandhidham, Gujarat, has an annual production capacity of **over 3.6 million laminates**.

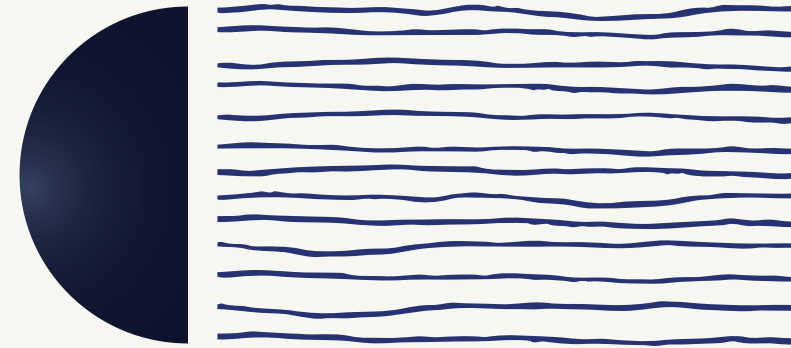

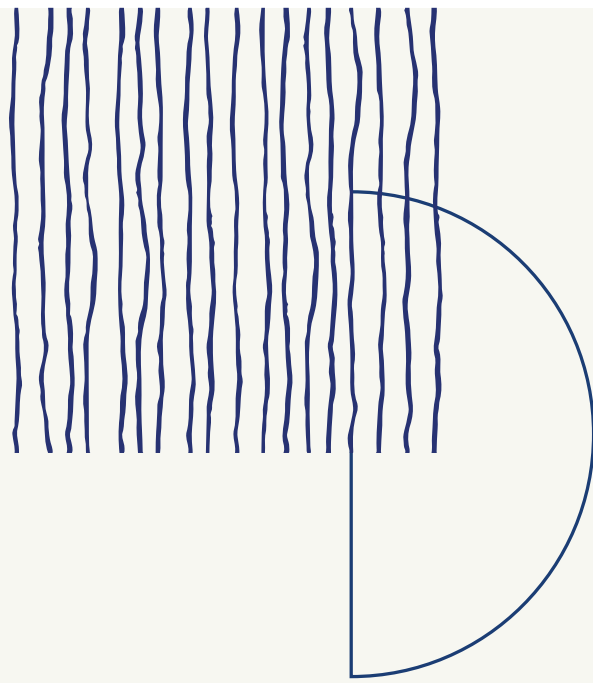

THE BRAND PHILOSOPHY

A beautiful space invokes a feeling of happiness and fulfilment. It reflects your persona and magnifies your perspective.

Dorby has reached a milestone of becoming **India's Leading Surface Decor Brand** but we didn't want to settle for that. Our commitment of delivering the best designer laminates in the world got us to a new customer-centric philosophy—anyone can **Design with Dorby.**

DESIGN
WITH
DORBY[®]

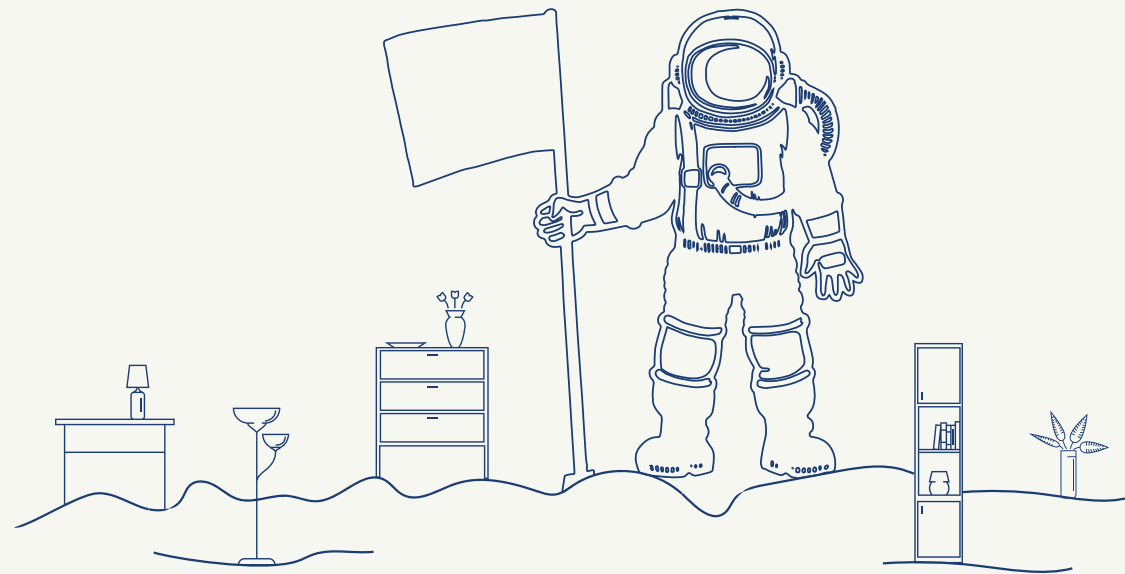

PIONEERING THE DESIGNER LAMINATE SEGMENT IN INDIA

Gone are the times when laminates were used to conceal surfaces. The term **decorative laminates** has evolved far beyond just being decorative to now mean **designer**.

Our core design team works on creating inspiring works of art that not just decorate surfaces, but also give them a unique identity.

Being a trend setter, Dorby has created a niche in the market through exceptional designs, enthralling textures and a unique palette of colours.

Welcome to the world of designer laminates from Dorby.
