Universal Make-Up Air-

Damper

Satisfies make-up air requirements, this kit uses an air switch to activate the make-up air damper to open and bring fresh air into the home when the hood fan is on. It then closes tightly when the hood is off. The CFM level is not reduced with this accessory.

Product specifications are subject to change without notification. Consult the installation instructions before you begin installing this range hood. \*Check local make up air codes for guidelines.
