## T-SHELF: A DESIGN STATEMENT, MADE TO LAST

Faber T-Shelf is a striking statement piece that seamlessly combines industrial and premium design. Its matte black finish and sleek, smoked glass shelves create an open, airy ambiance to elevate any kitchen space.

The T-Shelf isn't just a stunning piece for your kitchen, but also a powerful extracting system. With advanced odor filtration, it keeps your space smelling fresh and clean while its sleek, premium design adds a touch of sophistication.

### POWERFUL EXTRACTION

High-performance extractor effectively removes cooking odors with an intensive speed function for maximum airflow.

### AMPLE STORAGE SPACE

The three spacious, smoked glass shelves turn your cooking area into a beautiful, curated space.

### TUNABLE WHITE LED LIGHTS

The tunable white LED bar offers customizable brightness and color temperature, adding elegance to the workspace while setting the atmosphere.

### WHISPER-QUIET OPERATION

Sound Pro blower, designed for ultra-quiet performance for a serene cooking environment.

### 360° USABILITY

Its symmetrical design allows for 360° usability, offering effortless access and control.

### EFFORTLESS CLEANING

Easy-to-clean surface with dishwasher-safe grease filters.

# PERSONALIZED LIGHTING FOR ELEVATED COOKING

Discover real brightness with customizable lighting that adapts to any mood or setting. The tunable color temperature and dimmable white LED light bars ensure your countertop is always well-lit, making cooking more comfortable and enjoyable.

This stunning range hood features innovative double LED light bars, a versatile lighting solution designed to enhance your kitchen experience by offering five, adjustable color options and two intensity levels, allowing you to effortlessly customize both brightness and color temperature to create the perfect ambiance.

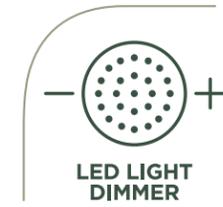

## GRAZIOSA ISOLA: A MINIMAL DESIGN FOR A CONNECTED KITCHEN

Graziosa Isola – a revolutionary hood that combines advanced connectivity with premium kitchen design. Featuring a striking matte black finish and minimalist aesthetic, it brings refined elegance to your cooking space. Its design conceals grease filters behind a refined perimeter panel, ensuring a clean and polished look, while effectively removing cooking particles and odors.

### 24-HOUR FRESH AND DELAY-OFF FUNCTIONS

The hood activates automatically every hour for 10 minutes to maintain a fresh and odor-free kitchen. Additionally, due to the delay-off function, the blower's shutdown is delayed, ensuring all cooking odors are fully eliminated before turning off.

### PERFECT LIGHTING

The dimmable LED light positioned at the bottom and the accent LED lights on the side panels allow you to set the perfect lighting for every occasion.

### EXTRA QUIET

The Sound Pro blower keeps the kitchen peaceful, delivering a quiet extraction.

### SEAMLESS CONTROL

Easy to operate, with touch controls, via remote, and through a smart device with the Faber Cloud App.

### MONITORING SYSTEM

The filter saturation alarm takes out the guesswork and will warn you when it is time to clean the grease filters or replace the charcoal filters.

### BOOSTED EXTRACTION

Activate maximum extraction power for six minutes to eliminate even the strongest cooking aromas and harmful by-products.

# ADVANCED FEATURES FOR A SEAMLESS KITCHEN

The Faber Cloud App provides an innovative and convenient way to control your Graziosa Isola, offering seamless connectivity and advanced features for a smarter cooking experience.

With the app connected to Wi-Fi, you can effortlessly adjust lighting, monitor usage, and manage settings from anywhere using your smart device or voice commands. Whether you're at home or away, you can ensure your kitchen remains fresh and clean with just a few taps on your smartphone.
