

Service Order Form

Print this page, fill out and send along with injectors that are to be serviced.

Name: _____

Address: _____

City: _____

State: _____

Zip: _____

Phone: _____

Email: _____

Year: _____ Make: _____ Model: _____ Engine: _____

Number of injectors to be serviced (minimum 2): _____

Type of service to be rendered:

- Test only (\$7.50/each) no parts are replaced.
- Cleaning and after test (\$12/each) all necessary parts are replaced.
- Pre-Test, cleaning and after test (\$15/each) all necessary parts are replaced.
- GDI Test and Clean (\$20-\$45/each)

Special Instructions:

Shipping Instructions – Remove injectors from vehicle and fuel rail. Remove excess fuel from injectors and place in zip lock baggie. USPS small flat rate box is the best price and there are typically zero issues. Please mark problem injectors with tape or marker and if possible, identify which cylinder each injector comes from if you are having issues with a specific cylinder.

Please send to:
