Access Doors w/ Lock

304 stainless steel, recessed with screwdriver twist lock. Two sizes: 6x6" / 8x8"

[RAD66](#) / [RAD88](#)

Timer Box & Mount

304 stainless steel, recessed with screwdriver twist lock in door to hide the RGT1 timer & protect it from the elements.

[RTB1](#)

Timer Mounting Plate

304 stainless steel, used to mount the RGT1 timer to a wall or outdoor kitchen structure.

[RTB1P](#)

Gas Timer

1 hour gas timer, twist to turn on any amount of time for gas flow up to one hour.

[RGT1](#)

Insulated Liner

The insulated liner is required when installing the grills or side burners into a cabinet constructed with combustible materials. Double-walled stainless steel construction for maximum strength & protection.

See [grills](#) and [side burners](#) for item #

Propane Hose & Regulator

3/8" flare fitting on one end & POL to screw on the outside threads of a propane tank. Low pressure, preset settings.

[RONHK](#)

Stainless Steel Flex Hose

To connect your gas grill or side burner to your gas supply. Available in two lengths, 36" & 48" and either 3/8" or 1/2" flare fittings.

3/8": [SSFLEX6436](#) / [SSFLEX6448](#)
1/2": [SSFLEX8436](#) / [SSFLEX8448](#)

Condensate Pump

For use with REFR3 when gravity feed drain is not available.

[RPUMP](#)

Infrared Sear Burner

Sear burners replace the left main burner in your grill to turn up the heat and get those perfect sear marks.

[IR2632](#) / [IR30](#) / [AIR303642](#)

Smoker Tray

Add some extra flavor to your food by adding your favorite wood chips. This will allow you to get that great wood flavor when cooking with gas.

[RST2632](#) / [RST3042](#)

Outdoor Kitchen Vent

To ensure the safety and protection of your outdoor kitchen, vents are required every 4 feet. These help vent the built up heat beneath your grill.

[RVNT1](#)

Cover

Keep your grill or side burner safe from the outdoor elements. Crack resistant, 2-ply vinyl, UV protection, flannel inside so your stainless won't scratch.

See [grill](#) or [side burner](#) for item #

Warranty - All American Renaissance Grills and side burners have a lifetime warranty. All RCS Cutlass Pro Series Grills, Cutlass and Cutlass Pro side burners, sinks, Valiant doors and drawers have a lifetime warranty. All RCS Premier Series Grills and side burners are warranted for 15 years. All RCS refrigeration products are warranted for 5 years. All other products carry a one-year warranty. This warranty excludes normal surface corrosion, discoloration, surface scratches and surface rust which may occur. Improper maintenance, salt spray, chemicals, pesticides will affect the look and integrity of the components of these products. RCS will not be responsible for any damage caused as a result of not following owner's manual instructions. This nontransferable warranty is limited to the replacement of original (one-time) manufacture defective parts, does not include shipping and labor to remove or install replacement parts. The owner must retain and submit their original receipt with any warranty claim to receive warranty parts. The warranty applies to the original owner only. Coverage is for residential use only, no commercial applications apply. No warranty registration required.
